CLERK, U.S. DISTRICT COURT

By

DEAR JUDGE GODBEY

July 19 2018

IN REGARDS TO WESLEY L RUIZ
Civil Action No. 3:12-CV-5112-N

Your Honor my name is Wesley Ruiz. I have been here on Texas Death Row for 10 years now.

I am writing to you because your are my federal Judge. And my Federal habeas appeal has been filed to your court now for a few years.

Sir, I know you are very busy and have alot of other cases to rule on. But I would like to ask if you could go ahead and rule on my case. I would like to get this done and over with.

As you will see in my Federal habeas I really do not have any strong issues with merit.

I do not want to drop my appeals. But I would appreciate if you could go ahead and rule on my case. So that I can go ahead and move forward to what

Comes next in the process.

I thank you, your honor, for
taking the time to read this
letter.

Respectfully
